"This was my first year attending the ASAE Five Star weekend and I am so glad that I did. Although I was less than 30 days from my annual conference, having the opportunity to meet and network with other CEOs was very impactful. The attention to detail was definitely 5 Star!"

— *Lakisha Barclay Executive Director & CEO, Rubber Division, ACS*

This was our first ASAE Five Star event and it will definitely not be our last. From the moment that guests arrived they were made to feel welcome and a part of a community. Great way to network with the cream of the crop!"

About The ASAE CEO Conclave

(formerly Five Star Weekend)

ASAE's CEO Conclave began over twenty years ago and continues today as a fundraiser for the ASAE Research Foundation. If you are looking to unlock Strategic Excellence: join our exclusive CEO Conclave! Elevate your leadership, engage in dynamic discussions, and forge powerful connections among industry visionaries in an intimate setting designed for impactful collaboration. The event is exclusively for association CEOs and the schedule is designed to give both CEOs and sponsors time to network, learn, and discuss critical issues facing associations today.

Why CEOs Attend the CEO Conclave

ASAE and our event hosts know it is hard for CEOs to take time away from the office, but we work to assure it is time well spent. What CEOs will gain by participating in an ASAE CEO Conclave event:

- **An exclusive opportunity for CEOs to connect with their peers.**
The event was created as an opportunity for an important community of CEOs to learn from each other through educational programs and leisure activities with fellow CEOs and their guests to help build industry relationships and their CEO network.
- **Leadership educational opportunity.**
The program content is developed just for CEOs, dealing with leadership, innovation, and industry trends. Past presenters have inspired attendees to go back to their organizations energized with new thoughts, ideas for innovation and have helped initiate crucial conversations organizationally.
- **An opportunity to network with Key Industry Partners.**
Key Industry Partners sponsor this event, inviting CEOs who are current or potential clients. The event is a great way to build relationships that endure over time—helping organizational leaders on both sides succeed now and into the future.
- **Face-to-Face relationship building.**
No substitute exists for peer-to-peer networking and learning. CEO Conclave is well-known for partnership building. Over the years, these alliances have become invaluable to both CEOs and sponsors.
- **Supporting an event that advances the association profession.**
The sponsorship dollars and your participation help make this event possible. ASAE CEO Conclave supports ASAE Research Foundation which is critical to the future success of our industry. The ASAE Research Foundation transforms the association community through research, scholarships, and practical tools critical to our profession.
